Connecting science education to communities. The COSMOS approach

Invitation to the Final Conference

Event Highlights:

- The results of the three-year collaboration in [the COSMOS project](#) will be presented;
- Workshops and round table discussions are on the program for teachers, school leadership, educational researchers and policy makers;
- An opportunity to get to know:
 - COSMOS' pedagogy and framework for Open Schooling in Science Education
 - The school projects and their experiences with the COSMOS approach.

Important Information:

- **Entrance Fee:** Free of charge, this includes lunch and drinks.
- **No-show Fee:** A fee will be charged if you register but do not attend or cancel your registration last-minute. This is to ensure no attendee spot (or food) goes to waste.
- **Maximum Attendees:** There is a limit to the number of attendees, so be sure to register promptly to secure your place once registration has opened.
